ACADEMIC PROGRESSION PATHWAY AT R.E.A.L SCHOOLS FOR OUR YOUNG LEARNERS

At R.E.A.L Schools, we believe in a holistic approach to education that not only focuses on academic excellence but also on the overall well-being of our students. Our flexible academic pathways allow parents to choose the best educational journey for their children, supporting them through each stage of their school life. We offer both International School and National School pathways, catering to the diverse needs and preferences of our students and their families.

EARLY YEARS JOURNEY (AGES 3-6)

Our Early Years journey begins from age 3 to 6 years old, laying a strong foundation for lifelong learning. This guided learning pathway prepares children for seamless transitions to either the IGCSE (Year 1) or National (Junior 1) curriculum, ensuring they achieve the best possible learning outcomes from the early years. Our aim is to support children as they transition between different stages of their school life, ensuring their overall well-being and academic success.
