DEAR REY FAMILIES,

Welcome to our latest newsletter!
Here's what's happening in REY:

1. CCA SCHEDULE REVISED

- Wednesdays : Robotics

9.30-10.30 a.m. : Hope

10.30-11.30 a.m. : Patience & Kindness

- Thursdays : TaeKwondo

9.00-9.45 a.m. : Joy & Hope

9.45-10.30 a.m. : Patience & Kindness

2. ROBOTICS REPLACEMENT SESSIONS

- Fridays after school in June

1.00-2.00 p.m. : Hope

2.00-3.00 p.m. : Patience & Kindness

3. GENTLE REMINDERS:

- Children especially from 'Joy' need to bring 2 sets of clothes & extra diapers for those still wearing.
- It would be better if children are provided with breakfast at home before heading to school as they would be only served with light snacks late morning.

3. INTRODUCING READING & 'BACAAN' LOG BOOK FOR 5 & 6 YEARS OLD

- The number 14 long book would be returned home on Fridays for weekend reading with 10 words each week.
- Class teacher will collect it back on Mondays to do the reading tracking.
- Subject teachers would be doing 1-to-1 reading & 'bacaan' with their students to follow up the mastering of words.
- For Patience & Kindness students, they would be also tested with spelling.
- This practice is taking place from this week.
- It would be a mix of vocabulary, tricky words and short paragraphs.
- Certain students are provided with additional reading practice in personal, twice weekly.
- We believe this reading practice would slowly reduce the fear of learning new words & bring enjoyment within.
